

# Think There's No Race War?

US Department of Justice survey stated that more than 6.6 million violent crimes (murder, rape, assault and robbery) are committed in the United States each year, of which about 20%, are inter-racial crime. Of the approximately 1,700,000 interracial crimes of violence each year, nearly 1,200,000 involved black-white crime. In 90% of those crimes, black offenders attacked white victims. African Americans are more than 50 times more likely to commit violent crimes against White Americans than vice versa. The most dangerous cities in the United States:

1	St. Louis, MO	42.9%	51.2%
2	Detroit, MI	10.5%	81.6%
3	Flint, MI	40%	53.3%
4	Compton, CA	1%	40.3%
