In 1950 Whites were 89% of America's population. Legal immigration rates have risen from 300,000 per year in 1965 to 1,000,000 present. Over 90% of these legal immigrants are non-white. By the year 2030 less than 50% of the population under 18 will be White. In 1970 2,369,000 hispanics lived in Calif., now there are over 8,939,000.

53% of all the immigrants who have settled in California since 1973 are on a form of public welfare.

Within the decade the cost of immigration is projected to rise to 108 billion per year.
